No other pet insurance provider gives pet owners the number of options that PetPartners policies offer. PetPartners offers some of the shortest wait periods in the industry, allowing pet owners to use their insurance sooner than many other insurance providers.
- 3 Coverage for Senior Pets:**
PetPartners is one of the only pet insurance providers that offers coverage for elderly pets, even over the age of 9, giving pet owners the ability to insure all of their pets.
- 4 Trust, Experience, Expertise:**
Years of experience in the industry leaves PetPartners as one of the most trusted pet insurance providers in the market. Trusted by not only the American Kennel Club but also the Cat Fanciers' Association and now The Boykin Spaniel Society!
