

Policy for a registered name change:

We will gladly give consideration to changing a dog's registered name at the dog owner's written request (and fee payment) **unless** the dog has (a) achieved a title in a BSS hunt test, (b) a recorded placement in a BSS field trial, or (c) has produced a litter as either dam or sire. Dog owners who make such requests shall be members-in-good-standing of the BSS.
