- Both owners must be current members-in-good-standing of The Boykin Spaniel Society® at the time of this request. **Both must sign this request.**
- Due to confidentiality and security concerns, signatures must be by hand and in ink. This is to safeguard your dog's/dogs' confidential information.
- All spaces provided above must be completed; if information is missing, the request cannot be fulfilled. Except as below:
 - If the Dam owner is also the registered owner of the Sire, then there is no need to enter mailing address, email address, telephone number and signature a second time: just complete the Dam owner column.
- The Boykin Spaniel Registry office will make every attempt to process requests within five (5) business days.
- Calculation results will only be shared with the Dam Owner, and only via telephone directly to the Dam Owner (no voicemail message with results.)
- Calculations will be based on five generations of ancestral data as it exists only for the registered dogs identified above.
- Different dogs require a separate request. ***This same form can be used to request the COI of only one dog.***

When completed, signed and dated, mail this request to: Boykin Spaniel Society, PO Box 70, Rembert, SC 29128
