INSTRUCTIONS/GUIDELINES FOR DESCRIBING PUPPIES IN SECTION E

Read this section BEFORE filling out the Litter Description (SECTION E) and use it as a reference as you fill out the form.

- COLUMN #1. MARK (X) THE SEX OF EACH PUPPY ON THE FORM. **LIST ALL MALE PUPPIES FIRST, FOLLOWED BY ALL FEMALES.**
 - APPLICATIONS WHICH DO NOT LIST ALL PUPPIES IN MALE-THEN-FEMALE ORDER WILL BE REJECTED.**
- COLUMN #2. MARK (X) (LIVING/STILLBORN/DEAD) ON THE FORM AS APPROPRIATE.
 - INCLUDE ALL PUPPIES, LIVING OR DEAD, ON THE FORM. THIS INCLUDES PUPS NOT ELIGIBLE FOR REGISTRATION.**
- COLUMN #3. MARK (X) THE COLOR OF THE PUP ON THE FORM. IF THE PUP IS ANY COAT COLOR OTHER THAN **SOLID RICH LIVER (REDDISH BROWN) OR SOLID DARK CHOCOLATE DO NOT MARK (X) EITHER BOX. THIS PUP IS INELIGIBLE FOR REGISTRATION.**
- COLUMN #4. FILL IN THE DATE EACH LIVING PUP WAS DESCRIBED.
 - LITTERS ARE TO BE DESCRIBED NO SOONER THAN 28 DAYS (4 WEEKS), BUT NO LATER THAN 42 DAYS (6 WEEKS).
 - IN CASE OF DEAD OR STILLBORN PUPS, NO DESCRIPTION IS REQUIRED.
 - LITTERS NOT DESCRIBED WITHIN THIS TIME FRAME WILL NOT BE REGISTERED.**
- COLUMN # 5. INDICATE WHETHER THE PUP HAS ANY WHITE HAIR ANYWHERE ON THE BODY BY MARKING THE (Y) BOX ON THE FORM WITH AN X. IF THE PUP HAS NO WHITE HAIRS ANYWHERE ON ITS BODY, MARK THE (N) BOX ON THE FORM WITH AN X.
 - THE CHEST MEASUREMENT IN COLUMN 7 NEED NOT BE PERFORMED UNLESS THE ONLY WHITE HAIRS ARE ON THE CHEST.
 - The Boykin Spaniel Society has a measurable formula that sets limits relative to the permissible amount of white centered on the pup's chest (sternum/breast-bone). **MAXIMUM LIMITS:** The width of a white marking on the chest may not be more than 30 percent of the width of the chest measured from the medial aspect or inside of the forelegs (armpit to armpit across front of chest). The length of the white marking on the chest may not be more than 60 percent of the width of the chest. The limitations apply regardless of whether the white markings are oriented horizontally or vertically.
 - WHITE MARKINGS ON THE THROAT, STOMACH, FOOT, TOE OR ANY OTHER PART OF THE DOG'S BODY, OTHER THAN CENTERED ON THE CHEST, SHALL DISQUALIFY THAT INDIVIDUAL PUPPY FROM REGISTRATION. WHITE HAIRS ABOVE THE TOP OF THE STERNUM ARE CONSIDERED TO BE PART OF THE THROAT AND NOT PART OF THE CHEST.**
- COLUMN #6. ENTER ON THE FORM THE LOCATION ON THE BODY OF ANY WHITE MARKINGS. **INSPECT EACH PUP CAREFULLY!**
- COLUMN #7. IF PUP HAS ANY WHITE ON THE CHEST MEASURE THE PUP'S CHEST WIDTH BETWEEN THE ARMPITS AND ENTER THIS MEASUREMENT ON THE FORM.
 - If, during the 28 day (4 Weeks) to 42 day (6 Weeks) old window of registration, you are unsure of a puppy's ability to be registered due to its white markings, you may request the assistance of a member(s) of the BSS Registry Committee to visit and/or evaluate photographs to help evaluate the puppy's ability to be registered. Photos should be taken as well to help document the dog(s) in question. Email all pictures and/or inquiries to boykinss@boykinspaniels.org and request that a member(s) of the BSS registry committee review and advise. Please provide the whelp date, Sire name, Dam name, the BSR #'s for Sire and Dam, along with the pup number from SECTION E: LITTER DESCRIPTION/INFORMATION listed below as well.
 - If a picture accompanies this application please state the pup(s) number(s) referenced from the chart below to properly identify the pup, ex. "Picture references #4 male pup".
- COLUMN #8. IF PUP HAS ANY WHITE ON THE BODY MEASURE THE LENGTH AND WIDTH OF THE MARKING AT ITS WIDEST POINTS AND ENTER THIS MEASUREMENT ON THE FORM.
- OWNER OF THE DAM - SIGN THE BOTTOM OF THE PAGE CERTIFYING THAT THE DESCRIPTION OF THE LITTER IS ACCURATE.**

SECTION E: LITTER DESCRIPTION/INFORMATION

Litters may be randomly inspected at any time by a member(s) of the Registry Committee or its representative or designee. The refusal by any breeder to allow inspection of a litter by any member, representative or designee of the Registry Committee will result in said litter being denied registration. The refusal to allow inspection of a litter after being notified by the Boykin Spaniel Society of the intent to inspect a litter may also result in the termination of membership in the Boykin Spaniel Society and all rights and privileges associated with such membership.

LIST ALL OF THE MALE PUPS FIRST THEN ALL OF THE FEMALES NEXT, OTHERWISE THIS APPLICATION IS VOID ON RECEIPT. LIST ALL PUPS INCLUDING STILLBORN/DEAD/NON-REGISTERABLE PUPS MEASURING WHITE: The width of a white marking on the chest may not be more than 30 percent of the width of the chest measured from the medial aspect or inside of the forelegs (armpit to armpit across front of chest). The length of the white marking on the chest may not be more than 60 percent of the width of the chest. The limitations apply regardless of whether the white markings are oriented horizontally or vertically. Please refer to the above page marked as INSTRUCTIONS/GUIDELINES FOR DESCRIBING PUPPIES for all details on filling out the chart below!

By signing this document below, I certify that I am the owner of the puppies described in Section E, and also hereby certify that the **puppy descriptions in Section E are accurate.** I further certify that I will truthfully document in writing the results of the dam and sire health examinations and DNA tests described in Section A ("OFA Health Examinations and Genetic Tests Performed") to each puppy buyer at or before the time of puppy ownership transfer; or, if any of the examinations and/or tests were not performed prior to breeding, I will document those which were not performed in writing and deliver to the puppy buyer as well. I also hereby solemnly certify that I will comply with all of the Breeder Responsibilities as published in the current Boykin Spaniel Society Code of Ethics. I understand that the ability to register litters is a membership privilege and not a membership right.
