

Celebrate 50 Years of the Boykin Spaniel Society

Honor the Legacy. Champion the Breed. Shape the Next 50 Years.

Founded in Camden, South Carolina, in 1977, the Boykin Spaniel Society is approaching a remarkable milestone: 50 years of protecting, promoting, and celebrating the little brown dog that captured the hearts of sportsmen and families alike. As we prepare to mark this golden anniversary in 2027, we invite your organization to stand with the breed's original and authoritative registry and help carry its proud legacy into the next half-century.

This anniversary is a celebration of generations of dedicated members, breeders, handlers, volunteers, and supporters who have advanced responsible breeding, preserved the Boykin's natural sporting abilities, and built a community that now reaches across the nation and beyond. By becoming a sponsor, your business will be recognized as an important partner in honoring that history and securing a healthy, vibrant future for the breed.

The Boykin Nationals will bring the 50th-anniversary spirit to life as a homecoming for the entire Boykin family. This four-day gathering showcases dogs at every level—Puppy, Novice, Intermediate, and Open—while celebrating the versatility, character, history, and enduring future of South Carolina's state dog.

The weekend opens with a welcoming oyster roast and barbecue, followed by field trials, Natural Abilities testing, a children's handler division, and crowd-favorite activities. Friday evening's banquet and live and silent auctions raise essential funds for the Society, while Saturday's awards celebration honors the dogs, handlers, volunteers, and supporters who make the event possible.

Your sponsorship will become part of the Society's 50-year story. Gifts of \$500 to \$2,500 will help BSS commemorate this landmark anniversary, strengthen the breed community, deliver an unforgettable national gathering, and continue the work that has sustained the Boykin Spaniel for generations. In return, your business will receive meaningful recognition before, during, and after the celebration. Join us in honoring 50 extraordinary years—and in helping write the next chapter.

BECOME A 50TH-ANNIVERSARY PARTNER

Corporate Sponsors \$2,500
