

Join us on Thursday evening, April 10th, for the highly anticipated annual Knock the Dust-Off oyster roast and BBQ! This lively event marks the true beginning of the weekend, bringing together old friends and new faces to indulge in the delicious smoky flavors of BBQ and the refreshing brine of oysters, all complemented by your choice of chilled wine or beer. This year, we are excited to host the oyster roast at the beautiful Kershaw-Cornwallis house and its enchanting rose garden, providing the perfect backdrop for a memorable evening. The Kershaw-Cornwallis house, a striking white Georgian-style building, is conveniently located on the hill behind the City Arena within the historic Camden Revolutionary War Park. Don't miss out on this fantastic opportunity to kick off your weekend in style!
